

information; (4) the specific computers and databases that were searched; and (5) the results of the search.

2. Plaintiff's motion is also granted with regard to Request For Production No 7. Defendant shall produce documents created or received during the period from January 1, 2006 through the present: (1) stating the profits it derived from the sale of SKF bearings, describing the various models of SKF bearings it has sold during the period; and (2) containing information that provides the basis for the calculation of Defendant's profit margins, including: (a) reports generated through Defendant's computerized record-keeping system showing the purchase price and sale price of all SKF bearings bought and sold by the Defendant during the time period described above; and (b) Defendant's financial statements for the years 2006-2009. The documents produced by Defendant pursuant to this paragraph 2 may be designated Highly Confidential.

IT IS SO ORDERED.
